Matting Fees

Brushing or Shaving \$1 PER MINUTE

We get it. Sometimes life gets busy... Mats and tangles happen! We have outlined our prices that are necessary to ensure we can spend the required amount of time to carefully shave or detangle. These prices are mandatory if mats are discovered.

Online booking clients can select 30 minutes for some matting or 60 minutes for severe matting. The final price may be adjusted based on your dog's coat condition and the time needed.

Behaviour & Comfort Fee

\$20

We love dogs, and we want every pup to feel safe and comfortable in our care. Some pets may need a little extra time, breaks, or one-on-one attention during their appointment.

If additional care is needed, a small fee may apply to reflect the extra time and attention provided. Any additional charges will always be discussed with you.
